IV. Spring Credit Recovery Process

Rosa Waters presented information about the process. It will occur after school Tuesday-Thursday for two hours for 16 weeks. She said the school would hire a teacher to run the online lab. The school will invite (call and/or send letters) to students who need to recover credit. Students do not have to attend the full 16 weeks. They will be released when they complete the course requirements. Students may also have to attend credit recovery if they are below 90% in attendance.

V. PTA Report: The Vine Church wants to identify and provide Christmas dinner for 30 families on December 21 in partnership with the school and PTA. They hope to get hams/turkeys donated by community partner(s). The distribution of dinners is scheduled for December 21 in the Covington lobby.

The PTA raised \$399 in box tops. There will be a popcorn party Friday for the winners.

VI. Questions/Concerns:

Mrs. Hunter asked about recycling toner cartridges to raise money. There might be a drop off box in the lounge.
